An important benefit of your membership in OWPRA is the opportunity to be evaluated by high level referees and improve your skills. So that OWPRA can help you improve your skills, we are asking that you list your goals as a water polo referee for the upcoming year. For example, are there specific skills that you want to improve? Do your goals include calling "championship" games? If so, which level(s) (regional tournaments, state championships)?

I have read and agree to abide by the bylaws, rules, procedures and policies of the Ohio Water Polo Referees Association.
